

Hello GA ANIA Members,

I hope this message finds you well and in good spirits. As many of you know, I have had the pleasure of serving as the GA ANIA board secretary for the past two years. During this time, it has been an incredible experience meeting many of you, especially at the 2025 ANIA conference in March. The quarterly volunteer opportunities and the Christmas Toys for Tots drive have also provided wonderful occasions to connect with our members.

In my professional life, I work as a Clinical Adoption Consultant for a medical device company, collaborating with multiple third-party vendors and EMR companies. This role has offered me valuable insights and experiences that I believe contribute to our chapter's growth and success.

I am truly honored to represent the GA ANIA chapter and am passionate about encouraging all of you to help us build a stronger and more connected network. Please spread the word to your colleagues and invite them to join our chapter. Together, we can create a vibrant community that supports and learns from one another.

Thank you for your continued support and dedication. Let's work together to make our chapter the best it can be!

Warm regards,  
Tara Garcia
