Call for Applications IM Division Doctoral Student Consortium 2012

APPLICATION DEADLINE: April 15, 2012

The International Management (IM) Division will conduct a **Doctoral Student Consortium** on **Saturday, August 4, from 8:00 a.m. to 5:00 p.m.**, during the pre-conference period of the 2012 Academy of Management Annual Meeting in Boston, Massachusetts.

This doctoral consortium is for advanced doctoral students interested in international management research and who have already made substantial advances in their dissertation. The consortium will provide opportunities for structured discussion and informal interaction between doctoral students and faculty panelists on research, publishing, and career development. Concurrent sessions will be devoted to thesis development where participants will have the opportunity to present and discuss their dissertation research with faculty members. The IM Division doctoral consortium emphasizes providing feedback on dissertations in progress.

The doctoral consortium is organized by **Pasha Mahmood** (International Institute for Management Development, Switzerland & National University of Singapore).

The distinguished **faculty panelists** include:

- Rueylin Hsiao (National Chengchi University, Taiwan)
- Tarun Khanna (Harvard University, USA)
- Xavier Martin (Tilburg University, The Netherlands)
- Sampsa Samila (National University of Singapore)
- Jordan Siegel (Harvard University, USA)
- Bala Vissa (INSEAD, France)
- Sri Zaheer (University of Minnesota, USA)
- Minyuan Zhao (University of Michigan, USA)

At the end of the consortium, there will be a **“Meet the Editors” session** where participants will meet the editors of leading journals in management. This will be held jointly with the IM Division Junior Faculty Consortium.

Interested students should send an application including a nomination letter from their thesis advisor with information on their dissertation progress, an one-page CV, and a brief description of their dissertation. The description of the dissertation should be no longer than two pages: one page of text in length (12 point font), plus one page maximum for figures, tables or key references. Priority will be given to students whose dissertation topic is clearly defined and whose dissertation is well in progress. However, graduating doctoral students who have accepted a faculty position by April 15 should apply for the Junior Faculty Consortium instead.

Please send the above stated materials to: megan.price@imd.ch with the message header **“IM consortium application”**.

Specific questions about the consortium can also be sent to pasha.mahmood@imd.ch.
