## Call for Applications IM Division Junior Faculty Consortium 2012

APPLICATION DEADLINE: April 15, 2012

The International Management (IM) Division will conduct a **Junior Faculty Consortium** on **Saturday, August 4<sup>th</sup> from 8:00 a.m. to 5:00 p.m.**, during the pre-conference period of the 2012 Academy of Management Annual Meeting in Boston, Massachusetts.

This Junior Faculty Consortium is for untenured faculty members who have successfully defended their dissertations and are interested in international management research and teaching. Selection preference will be given to applicants beginning their first through fourth year in a faculty appointment in Fall, 2012. The consortium will provide an opportunity for faculty early in their careers to engage in structured discussion and informal interaction with a broad-based panel of senior faculty from around the world on research, teaching, and career development. It is an excellent forum for exchanging ideas and tips about research, teaching, career planning, and professional development, and serves as an outstanding opportunity to expand one's academic network. In addition to presentations by the faculty panel, one concurrent session will be devoted to paper development, where junior faculty will have the opportunity to present and discuss their current research projects in small groups.

The consortium also includes a **"Meet the Editors" session** with the Doctoral Consortium attendees, where participants will meet the editors of leading journals publishing international management research.

The Junior Faculty Consortium is organized by **Jay Anand, Ohio State University**.
