## Call For Applications

## IM Division Doctoral Student Consortium 2015

APPLICATION DEADLINE: May 10, 2015

Mary Teagarden  
IM Division DSC Chair

The IM Division will offer a **Doctoral Student Consortium (DSC)** at the 2015 Annual Academy of Management meeting in Vancouver, British Columbia on **Saturday, August 8, 2015, 7:30 a.m. - 5:00 p.m.**

Have you defended your dissertation proposal, or are you very close to defending it? Are you planning to start searching for a job this year? Would you like to get feedback on your dissertation proposal, get career development advice in the field of international management, be it teaching, research or publishing? If yes, the DSC is for you!

The DSC will provide opportunities for structured discussion and informal interaction with prominent International Management scholars representing a range of research traditions, geographic interests and experience, and institutional affiliation. The discussions will focus on succeeding in your dissertation and in your career, in teaching, research, and publishing. Professional ethics will also be addressed. The DSC will combine faculty panels, faculty presentations, and round-table discussions to provide a highly interactive day, focusing on participants' professional development. The DSC's design encourages networking and personal interaction among participants and scholars.

The DSC will conclude with a "Meet-the-Editors" session for participants to meet editors of leading journals publishing international management research. It will be held jointly with the Junior Faculty Consortium.
