Message from Division Chair

Dear IM Division Members,

Happy New Year!

It is such an honor to have the opportunity to serve as **Division Chair** for 2020-2021. I am so pleased to be working with my Executive Committee colleagues (**Immediate Past Division Chair, Anu Phene**; **Division Chair Elect Katherine Xin**; **Division Program Chair Bill Newbury**; and **Division PDW Chair, Grazia Santangelo**), our ever-hardworking **Division Treasurer Malika Richards**, and the 50+ members of the **Division's various committees**, to continue the IM Division's tradition of offering its membership a mix of learning, friendship, and fun. I want to take this opportunity to acknowledge the people who worked so hard to make the 2020 Annual Meeting such a success. In particular, **Katherine Xin** and **Bill Newbury** carried unusually heavy loads as the Program and PDW Chairs due to the abrupt change of the format of the conference in the wake of the Covid-19 pandemic. The **Communications Committee**, chaired by **Chei Hwee Chua**, kept us informed about IM-related developments throughout the year. The **Research and Dissertation Committees** (chaired by **Grazia Santangelo** and **Davina Vora**, respectively) worked extremely hard to determine the winners of most of the Division's many awards. We are ever-grateful to the generous sponsors of these awards (see p.2 & p.3 for details). In 2020, we also had the opportunity to honor several colleagues, including **Division Eminent Scholar Award** winner **Yves Doz**, **Amorepacific Outstanding Educator Award** winner **Kendall Roth**, **Outstanding Service to the Global Community Award** winner **Rosalie Tung**, and **FIU Emerging Scholar Award** winner **Minyoung Kim**. The successful program of this first virtual AOM conference would not have been possible without the help of the 522 reviewers (from 48 countries), who gave feedback on 468 submissions.

In response to the Covid-19 crisis, the **Executive Committee** launched the **division webinar series** as a new initiative. In the wake of the COVID-19 pandemic, webinars have become an effective vehicle to help scholars and students around the world keep up with and discuss important topics. To better serve division members' intellectual needs, IM Division will offer three types of webinars on a monthly basis: **Eminent scholar webinars**, **research webinars**, and **committee-led webinars**. The **Online Research Resources Committee** (chaired by **Sali Li**) offered the first of these webinars on October 2, 2020. Almost 200 members attended the **webinar** titled, '**Editors' Panel: Data in International Business Research – Sources, Validation and Transparency**'. We will also invite several recipients of the IM Division's Eminent Scholar Award. The first speaker in the **Eminent Scholar Webinar** was **Professor Tarun Khanna** of **Harvard Business School**. In his **webinar** titled, '**Platforms for entrepreneurs in the post-pandemic era**' on November 5, 2020, almost 300 members signed up. (Continued on p.2)

Call for Scholarly Program Submissions by Division Program Chair

The IM Division invites submissions of papers and symposia for the scholarly program of the 2021 Academy of Management annual meeting which will be held virtually from 30 July to 3 August 2021. For the 2021 conference, please note that both PDW and Scholarly sessions will be intermingled and may take place any day during the Annual Meeting. The theme for the 2021 Academy of Management meeting is "Bringing the Manager Back in Management". This theme should be particularly salient to our division members given that managers are the key players in the international management function.

The IM Division focuses on the development of theory, research and the practice of management with a cross border or cross cultural dimension. Major topics include, but are not limited to: the cross-border management of operations, including multi-country, multi-unit, strategy formulation and implementation; evolving forms and management practices in cross-border business; the cross-border differential impact of cultural, social, economic, technological, political, and other institutional forces on strategies, organizational forms, and management practices; the international competitiveness of firms, industries, and nations; and comparative management studies involving two or more countries. We welcome paper and symposia submission related to any of the topics above, or any topic related to the domain of international management. To learn more about the IM Division, [visit our website](#). (Continued on p.3)

(Continued from p.2)

Best Paper Awards: The IM Division is proud of the outstanding work of our members, and along with our sponsors will present the eight following best paper awards at the 2021 conference. Note that at least one paper author must be an IM Division member to be eligible for these awards. Please submit your best work to the IM Division for award consideration.

- IM Division CEIBS Best Paper Award
- IM Division HKUST Best Paper in Global Strategy Award
- IM Division Best Paper in OB / HRM / OT Award
- IM Division GWU-CIBER Best Paper on Emerging Markets Award
- IM Division Best Paper in Corporate Social Responsibility and Sustainability Award
- IM Division Best Paper in International Corporate Governance Award
- IM Division Georgetown Best Paper in International Business and Policy Award
- Douglas Nigh Award (for interdisciplinary papers by junior scholars)

See detailed award descriptions & eligibility criteria here: <https://im.aom.org/awards-details/>

In addition to papers, please consider submitting **symposium proposals** that explore interesting topics using innovative perspectives and a variety of theoretical lenses. Symposia offer the opportunity to examine interfaces by engaging in meaningful and highly-interactive dialogue among the panelists and with the audience, in clear contrast to the more unidirectional nature of paper presentations.

Submission deadline: All paper and symposium submissions must be completed by **Tuesday, 12 January 2021, at 5:00 PM ET (NY time)**. The **Submission Center** is open from early December 2020. Submission guidelines are available on the AOM website.

Reviewing: If you submit a paper, we also expect you to sign up to review. Thank you in advance. **Please sign up** and select the IM Division and topic codes that reflect your areas of expertise! We will ask you to review about three submissions between mid-January and mid-February 2021, and to provide the authors with thoughtful and constructive comments that are developmental in nature.

With your excellent paper and symposium submissions - and your invaluable assistance with the reviewing process - we will have yet another interesting and thought-provoking IM program. See you in virtually in summer 2021!

Call for Professional Development Workshop Submissions by Division PDW Chair

BRINGING
THE MANAGER
BACK IN **MANAGEMENT**
81st Annual Meeting of the Academy of Management
30 July – 3 August 2021 | A Virtual Experience

The IM Division invites submissions for **Professional Development Workshops** (PDWs) at the 2021 virtual AOM Annual Meeting. This year's conference theme is **"Bringing the Manager Back in Management"**. This theme is particularly salient for the IM Division, in light of the challenges and opportunities that managers face when operating across a variety of national and sub-national contexts under increasingly volatile, uncertain, complex and ambiguous conditions.

The IM Division focuses on content pertaining to the theory, research, and practice of management that has a cross border, cross-cultural, or comparative dimension. Major topics include, but are not limited to: the cross-border management of operations, including multi-country, multi-unit, strategy formulation and implementation; evolving forms and management practices in cross-border business; the cross-border differential impact of cultural, social, economic, technological, political, and other institutional forces on strategies, organizational forms, and management practices; the international competitiveness of firms, industries, and nations; and comparative management studies involving two or more countries. To learn more about the IM Division, visit [our website](#).

Our goal for the PDWs is to provide participants with opportunities to enhance their professional and personal skills relevant to IM-related scholarship and teaching, including macro and micro topics. With this in mind, we seek innovative, provocative, and exciting proposals that bring together an international community of scholars interested in enhancing research and teaching in the broad field of International Management.

The format for PDW sessions is highly flexible. PDWs may consist of **workshops, panels, round-table discussions, training sessions**, etc. – **meaningful interaction** is the key. As such, PDWs provide opportunities to experiment, with respect to both content and format, that are typically beyond the scope of regular paper sessions. We seek creative and interactive proposals that promote **scholarship or teaching** and involve not only other AOM divisions, but also firms, not-for-profit organizations, consultancies, NGOs, and public sector organizations.

The 2021 PDW sessions may take place any day during the Annual Meeting (Fri, 30 July - Tue, 3 Aug). See the [Annual Meeting website](#) for additional information about the conference.

Submissions: If you are interested in organizing or being involved in a PDW in any way, please contact **PDW Chair, Grazia D. Santangelo** (im@cbs.dk).

Final PDW submissions must be made through the AOM submission system website. The deadline for submissions is **Tuesday, January 12, 2021 at 5:00 PM ET (NY Time)**. This system will open early December 2020. We look forward to hearing from you regarding exciting workshops for the 2021 AOM online conference!
