APIC Chapter 20 cannot endorse specific products, but this is a great opportunity for you to present product information to a targeted audience on a one-on-one basis. Attendance typically ranges from 20-30 members and represents Infection Preventionists from Acute Care, Long Term Care, LTAC, Department of Public Health and other areas. A space with tables will be provided for you to display your materials.

Vendors are required to register with Vendormate at the front desk of the main entrance of Atrium Health Navicent Hospital. Please stop at the desk and ask for guidance.

Thank you to all our current APIC Ch. 20 member vendors-we appreciate your continued support! For any non-member vendors - we would love for you to join our chapter!

Please complete the Vendor form if you are interested in presenting at one of our chapter meetings.

Please contact Marcia Gellineau, Marcia.gellineau@atriumhealth.org with any questions.
