MEDSIS Modernization

February 28, 2025

MEDSIS Modernization Vision

The vision of MEDSIS Modernization is to provide **quick, user friendly, flexible, secure, compliant, and stable ways** to work with **data** and **collaborate with partners** to **improve public health.**

MEDSIS Modernization - Benefits

Benefits

- **Simplification, standardization and documentation** of processes and training
- **Optimized User Interface** – Modernized and streamlined interface design supporting efficiency in navigation and entry of key data
- Creation of **real-time, reliable data**

Outcomes

- **Increase** user satisfaction
- **Improved** processing time.
- **Faster** enhancements
- Accessibility with **reduced risk and safeguarding of data**

Resources

Find MEDSIS Modernization communications and resources in the **current MEDSIS** system, under the **Resources tab**, **MEDSIS Modernization folder**.

The screenshot shows the MEDSIS (Medical Electronic Disease Surveillance Intelligence System) interface. At the top, the MEDSIS logo is displayed with the text "Medical Electronic Disease Surveillance Intelligence System" and "EPI at Arizona Department of Health Services". Below the logo, there is a navigation bar with links: Home, Cases, Search, Merge, Reports/Extracts, ELR, OB Mgmt, Batch Process, Case ID Lookup, Batch Contacts, Batch Case Creation, DSO Batch, and Secure Messaging (275). The "Resources" tab is highlighted with a red box. Below the navigation bar, the "MEDSIS Resources" section is visible. It includes a search bar, a "New Folder" button, and a list of folders. The "MEDSIS Modernization" folder is highlighted with a red box and a red arrow pointing to it. The folder is created by Amy Lai on Mar 19 2024 11:30 AM. The "MEDSIS documentation" folder is also visible, created by Amy Lai on Nov 30 2018 07:07 PM. The text "Accessible to all MEDSIS users" is displayed below the folders.
