

Learning, Leading, Sharing

APIC Palmetto was chartered in 1982. Since its inception, the organization has made patient safety its top priority. To achieve this mission, members have continually demonstrated a commitment to nurture new Infection Preventionists, share best practices, follow and promote the use of evidence-based guidelines, educate healthcare workers in infection prevention, collaborate with other disciplines, organizations, and agencies to provide infection prevention leadership in our state.

APIC Palmetto welcomes YOU to join the effort to prevent infections and avoid patient harm.

**We are saving a space for YOU
in our APIC Palmetto Chapter!**

APIC Palmetto Chapter 89

To see greater details of what APIC has to offer, visit <http://apic.org/>.

APIC Palmetto

Membership Benefits!

APIC members have many **benefits!** As a member, you will be able to:

Learn – Through webinars, publications, implementation guides, live and on-line learning, educational conferences

Network/ Mentor – Connect with colleagues in-person or on-line, be a mentor or find a mentor

Advance – Career development resources to help with Certification in Infection Prevention and Control (CIC), career center for employment connections

Lead – Leadership opportunities such as serving in the APIC Palmetto Chapter, submitting abstracts for APIC's Annual Conference or APIC Palmetto's annual conference, serving on a committee or task force, advocating on issues affecting infection prevention

Regional Meetings!

To make APIC Palmetto activities more accessible to our members, our state is divided into three regions—Upstate, Midlands, and Low Country. Meetings are scheduled in each region according to the activities and topics of interest in each group. APIC Palmetto's goal is to provide you with education, support, networking, and collaboration on all aspects of Infection Prevention Surveillance and Control.
