

MEETING AGENDA

October 27, 2015

GLA APIC 2015 Scholarship Recipient Presentations

Cody Haag completed his B.A. at UCLA in 2011 and shortly after began working for Clean Sweep Group, Inc. He develops computational tools to implement environmental hygiene best-practices and has authored several abstracts presented at the APIC and SHEA national conferences. Cody will present, "*Greater than the sum of its parts*," on the SHEA Spring Conference in Orlando, FL.

Jessica Silvaggio, MPH currently works as an Infection Preventionist at Providence Saint John's Health Center. Prior to joining Saint John's, she served as the Centers for Disease Control and Prevention/Council of State and Territorial Epidemiologists (CDC/CSTE) Applied Epidemiology Fellow with the Hospital Outreach Unit at the Los Angeles County Department of Public Health (LAC DPH). She will be speaking about "Highlights from ID Week 2015 and Applications while Transitioning from Local Public Health to Hospital Epidemiology".

Lakshminarayana "Havish" Kota currently works as an Infection Preventionist for Prime Healthcare and will be presenting on the APIC conference in Nashville, TN.
