Award Description

The Publication of the Year Award recognizes a book or other publication created in partnership by a nonprofit organization and a land management agency that embodies innovation in educating and interpreting public lands to its readers and impacts a substantial audience. Two awards are given annually based on the annual revenue of the nonprofit public lands partner that helped develop the product. Nominees may be produced in any media (e.g. hardback, paperback and/or digital) and published in the calendar year 2024 or 2025.

Please mail five copies that best represent your submission to the Public Lands Alliance at **8437 Tuttle Ave, #353, Sarasota, FL 34243**, so that they are received **prior to October 20, 2025**. Copies will be sent to our judges for review; we are unable to return these copies to submitters.
