

# ADDING CERTIFICATIONS TO LinkedIn Profile

## STEP: ONE

After signing into your account, go to your profile page and click the following:

Licenses & Certifications

## STEP: TWO

Type in your certification information. Select *“This credential does not expire.”* There is no credential number for the ACN A-List.

Add licenses & certifications

Name \*

Applied TAM Accounting

Issuing Organization \*

 Applied Client Network

☒ This credential does not expire

Issue Date

Month

Year

No Expiration Date

Credential ID

Credential URL

We no longer share changes to licenses & certifications with your network. [Learn how these are shared and when](#)

Save and add another

Save

## STEP: THREE

After you click 'save' your Badge should look like this on your profile:

**Applied TAM Accounting**  
Applied Client Network
