

Texas Section of the American Physical Society

Robert S. Hyer Research Award Nomination Form.

Instructions:

1. Please print clearly the following information. Incomplete or inaccurate nominations will not be considered.
2. Completed nomination form, nomination letter, up to three supporting letters, vita for the nominee, and any papers or supporting materials should be emailed to the TSAPS Chair-Elect (as a single pdf if possible).
3. Work must have been presented at a Texas APS meeting within the past two years by the student. It is OK if the work is presented at the SAME Texas APS meeting where the award is conferred.
4. Nominations for the award can be made by the student's advisor or other qualified nominators who are familiar with the work.
5. Nominations will remain active for two years, or until no longer eligible. The Executive Committee will name a 3-person awards committee to choose the recipients each year. The conditions for the presentation of the award will be decided by the Executive Committee.
