ABOUT THE ARKANSAS BAR ASSOCIATION

The Arkansas Bar Association was established in 1898 and today has more than 5,000 attorney members.

Mission

The mission of the Arkansas Bar Association is to enhance the lives of Arkansas citizens by working to improve operation of the state's judicial system, reforming state laws and advancing the professionalism of member lawyers.

Activism

The Association is known for its support of new statutory laws, progressive constitutional amendments, uniform laws and the rules affecting the practice of law and the judicial system. It is not uncommon for the Association to initiate law reform measures and work to secure passage while working closely with members of the legislature and the judiciary.

Volunteer Services

The Arkansas Bar Association believes that everyone, regardless of income, deserves a pathway to justice. Therefore, it encourages all members to participate in providing pro bono services for those who otherwise cannot afford legal assistance.

Education

Member lawyers are also encouraged to participate in education programs such as the High School Mock Trial project, which introduces Arkansas students to the legal system and allows them to work alongside lawyers and judges.
