Getting Started
Step 1: To create an account, click on the **Sign In** button below and select the **SignUp** tab.
Step 2: Fill out the SignUp tab. *If you don’t have an ePID number, leave the ePID field blank.

Wait for the Email that asks you to verify your account, **before attempting to Sign In.**
Step 3: Click on the link in your email, then use your credentials to login.
Step 4: Click on **Courses** tab to view the course catalog.
Courses Page

Review the course catalog carefully before selecting a course. Courses for ACPE Credit will require payment.

The next few slides will review the instructions carefully as both course options differ in process for getting started.
FACT Credit Courses:

Click on the Course title to select the course.

To get started, click on the blue **Enroll** button.
ACPE Credit Courses:

Courses that offer **ACPE Credit** will have the blue “Buy” button underneath the course title.
Proceed to Pay for your course. If you are a Member of ASBMT, remember to enter the Discount coupon at this time.
Once you have paid for your course, you will see this message.

Thank You!

Receipt For (ACPE Credit) Biology of cGVHD

Price       $40.00
Discount    $20.00
Total       $20.00

Start Course Now  Start Course Later
Begin Your Course!

Because you have paid, you have been automatically enrolled. Click the **Continue** button to Get Started.
Good Luck On Your Course!
For more information about the 2018 BMT Pharmacists Conference, visit www.cibmtr.org or www.asbmt.org. No brochures will be mailed this year.

Pharmacist Continuing Education Information

Syntaxx Communications, Inc. is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (CPE). Syntaxx Communications has assigned 2.0 contact hours (0.20 CEUs) of continuing pharmacy education credit for these application-based activities. These on-demand webinars/home-studies are comprised of 2 individual activity sessions that combined will fulfill the 2.0 hours of CPE. The target audience for this accredited activity is pharmacists.

To receive continuing pharmacy education credit for the enduring activities/home studies, participants must attend the sessions in their entirety, pass the post-tests with a score of 70% or higher, and complete the associated program evaluation forms. Additionally, all US-based pharmacists must supply their National Association of Boards of Pharmacy (NABP) electronic Profile Identification (ePID) number and their birth month and day (MM/DD). No credit can or will be issued without this information. To acquire an NABP ePID, go to http://www.nabp.net and click on CPE Monitor.

The Evaluation Survey must be completed within 30 days from the date the program closes in order to receive continuing education credit. Your NABP ePID number and date of birth (mm/dd) must be correctly provided. If incorrect information is uploaded into CPE Monitor and not rectified within 60 days of the program, a $225 fee will be charged as mandated by the ACPE. Please make sure your NABP ePID and date of birth(mm/dd) are correctly provided at the time you submit your program evaluation/post-test.

Faculty

Kelly G. Hawks, PharmD, BCOP (Maintenance Therapy Strategies Post-Transplant)
Clinical Pharmacy Specialist
Hematopoietic Cell Transplantation
Virginia Commonwealth University Health System

Paul J. Martin, MD (Biology of cGVHD)
Member, Fred Hutchison Cancer Research Center
Professor of Medicine, Division of Oncology
University of Washington
Fees

$20 per session for ASBMT Members; $40 per session for Non-ASBMT Members (seeking ACPE-Approved Credit). A discount code will be required for members to get the $20 fee per session. This discount code will be sent via email. For participants seeking FACT-compliant continuing education credit only (no ACPE-approved credit), no fee will be charged.

Published

[February 23, 2018 – February 24, 2021]
Enduring activities will open on May 21, 2018 and close on February 21, 2019.

Universal Activity Numbers

0299-9999-18-007-H01-P – Maintenance Therapy Strategies Post-Transplant
0299-9999-18-013-H01-P – Biology of cGVHD

Educational Objectives

After completing the 2018 BMT Pharmacists Conference Enduring Sessions, participants should be able to:

Maintenance Therapy Strategies Post-Transplant

1. Describe the incidence of relapse following hematopoietic cell transplantation (HCT).
2. Identify ideal candidates for maintenance therapies following HCT.
3. Evaluate the impact of maintenance therapies on outcomes following HCT in select malignancies, including but not limited to multiple myeloma, acute myeloid leukemia/myelodysplastic syndrome (AML/MDS), and lymphoma.
4. Develop monitoring and treatment plans for patients undergoing maintenance therapies following HCT.

Biology of cGVHD

1. Describe biological pathways in the pathogenesis of chronic graft-versus-host disease (GVHD).
2. Explain how response is evaluated after treatment for chronic GVHD.
3. Evaluate the current trends in clinical trials of treatment for chronic GVHD.
4. Identify drugs of particular interest for treatment of chronic GVHD.

Post-Test Questions

Access to the post-test will be provided via the Syntaxx Learning Management System (LMS). The post-test will consist of 10 questions per 1-hour session (Sessions 1 and 2). Participants will be given two attempts to pass the post-tests and must score 70% or higher on each post-test to receive continuing education credit. If participants do not achieve a score of 70% or higher after 2 attempts, please contact Syntaxx Communications for instruction about remedial learning and/or retaking the post-test.

Participants participating in part or all of the educational activities who pass the relevant post-test and complete the relevant program evaluation forms (see below) will be awarded CPE credit through the CPE Monitor.
Program Evaluation Forms

Participants may access the program evaluation form via the Syntaxx LMS following the completion of the course. On the evaluation form, US-based pharmacists must provide their NABP/ePID and date of birth (mm/dd) and complete the form in its entirety, hitting submit before exiting the system. Participants participating in part or all of the educational activities who pass the relevant post-test (see above) and complete the relevant program evaluation forms will be awarded CPE credit through the CPE Monitor and provided a printable Statement of CPE Credit. Please follow instructions on the LMS to download and print a CPE statement for your records.

For problems or issues related to continuing pharmacy education, please contact Julie at Syntaxx Communications:

E-mail: jmarino@syntaxxcomm.com
Phone: 404-969-6414
Mail: 305 West Country Drive, Johns Creek, GA 30097

Required Computer Hardware/Software:

Educational materials/handouts will be available via the Syntaxx LMS. To access the LMS, participants will need Wi-Fi/electronic connectivity access and a personal electronic device. It is advised to print or download documents to your device prior to viewing and participating in the online sessions for optimal note-taking.

A Wi-Fi/electronic connection and a Personal Computer, Macintosh Computer, or other acceptable personal device will be needed to view the online, video courses. A link to each course will be housed on the Syntaxx Website.

Financial Support

Jazz Pharmaceuticals, Incyte Corporation, Celgene Corporation

Financial Disclosures

(All presentations will be fully vetted by an objective, clinical peer group and Syntaxx Communications, the ACPE accredited, CPE provider)

Faculty
Paul Martin, MD: Neovii (Fresenius): Clinical Investigator, Research Funding; Pfizer: DSMB Member, Consultancy; Procter and Gamble: Stock, Ownership Interest (None of these financial arrangements is related to his discussion of treatment for acute GVHD.)
Kelly Hawks, PharmD: Nothing to disclosure

Program Planning Committee/Clinical Content Reviewers
Ashley Teusink-Cross, PharmD: Name of Organization: Jazz Pharmaceuticals, Role in Organization: Speaker’s Bureau, Type of Relationship: Honoraria
Zahra Mahmoudjafari, PharmD: Name of Organization: Pharmacyclics; Role in Organization: Consultant; Type of Relationship: Honoraria
Nicole Watts, PharmD: Name of Organization: Spectrum; Role in Organization: Consultant; Type of Relationship: Honoraria
Disclosure Statement

Syntaxx Communications and the CIBMTR/ASBMT assume no responsibility for errors or omissions in the presentations. The faculty members participating in the conference may discuss published and/or investigational uses of agents that are not approved by the US Food and Drug Administration. Syntaxx Communications and the CIBMTR/ASBMT do not recommend the use of any agent outside of its labeled indications. The opinions expressed in this educational activity are those of the faculty and do not necessarily represent the views of Syntaxx Communications, the CIBMTR/ASBMT, or activity sponsors. Participants are advised to check the appropriate medical literature and product information provided by the manufacturer of each drug to be administered to verify dosage, method and duration of administration, or contraindications. Pharmacists or other healthcare professionals, relying on independent experience and knowledge of patients, are responsible for determining the best treatment for a patient.
For more information about the 2018 BMT Pharmacists Conference, visit www.cibmtr.org or www.asbmt.org.

FACT credit only. No ACPE accredited CE credits will be awarded for this version fo the courses.
