

2024 ASCLS-NY UNDERGRADUATE SCHOLARSHIPS

ASCLS-NY is an affiliate member of the American Society for Clinical Laboratory Science. The purposes for the association include:

- To promote higher standards in clinical laboratory methods and research
- To elevate the status of those specializing in Clinical Laboratory Sciences/Medical Technology

In order to succeed in reaching these goals, the ASCLS-NY believes that it is important to assist future clinical laboratorians by offering financial aid in the form of scholarships.

ASCLS-NY is proud to announce that there are two \$1,000 scholarships available to Clinical Laboratory Science/Medical Technology students:

- One \$1,000 scholarship to be awarded to a student entering the final year of a NAACLS-accredited baccalaureate degree program, entering an accredited hospital-based MT/CLS program, or entering an accredited post-baccalaureate MT/CLS advanced certificate program
- One \$1,000 scholarship to be awarded to a student entering the second year of a NAACLS-accredited associate degree program
