**ASFMRA Land Trends Are Go to Resource**

GELNDALE, CO- The number of chapters of the American Society of Farm Managers and Rural Appraisers releasing Land Trends reports has grown as has the demand for them.

Agriculture professionals continue to rely on these investigative and comprehensive publications to better understand the market. The most recently releases include the Minnesota Chapter, the North Dakota Chapter and the Wisconsin Chapter. Each publication was created by dedicated groups of professionals who volunteered their time to collect and analyze data to report on the latest industry trends in their region.

These publications reinforce that The American Society of Farm Managers and Rural Appraisers is the premier organization for rural property professionals and the go to source for land valuation and management. Visit the bookstore on [www.asfmra.org](http://www.asfmra.org) to order your Land Trends copy today.
