FEES

An invoice for \$350 as an application fee will be sent upon receiving the application. An additional payment of \$350 for the exam fee will be due when you register for the accreditation exam. The exam fee must be paid prior to taking the exam. Both the application fee and demonstration report are good for a three-year period from the date approved.

DEMONSTRATION REPORT - Complete one consulting report as prescribed by the ASFMRA. The report shall demonstrate the ability of the applicant to analyze and provide consulting services on agricultural and/or agribusiness problems according to the standards of the ASFMRA. The report will be graded and must garner a score of at least 75 percent. If the consulting plan does not pass the first review, the applicant will be required to pay a re-grade fee of \$250 and have one opportunity to correct the deficiencies. A passing score can qualify, as a component of the AAC accreditation process, for three years from the date the report was graded and passed. Please complete the following:

Date of report:		-
For whom it was written:		
Requirements for AAC Examination		
Education	Dates and Location	
Agricultural Consulting Principles		
Agricultural Consulting Procedures		
ASFMRA Best in Business Ethics		
At least 40 hours of subject matter		
directly related to the member's specific "area of expertise."		
AAC Exam		

Experience

Four years of agricultural consulting experience or equivalent (as approved by the ASFMRA). Experience must have been completed within the last ten years. One year experience is a calendar year during which a person spends not less than 1,600 hours as follows: At least 600 hours of the 1,600 must be spent consulting in an agricultural or agribusiness situation for a fee or a salary. The individual shall have inspected agricultural businesses and analyzed sufficient data to arrive at objective decisions which are set out in detailed written or oral reports meeting the standards outlined by the Society. The balance must be spent in a field related to agricultural consulting. Any prior or equivalent experience should be submitted for review very early in the accreditation process so the ASFMRA can determine if the experience qualifies. If you would like your work history reviewed prior to submitting your application, please send a copy of resume to accreditation@asfmra.org

College Degree

A four-year college degree or equivalent (as approved by the ASFMRA). Any equivalent education should be submitted for review very early in the accreditation process so the ASFMRA can determine if the equivalent education qualifies.

Other Requirements

Be a current ASFMRA member prior to submitting an application for accreditation.

NOTE: The application is not complete without the insert sheet (6 of 6) — please make additional copies of this sheet to furnish a four-year record of your work experience.

Plagiarism Policy

Plagiarism of any form within a demonstration report will not be tolerated and is strictly prohibited by the ASFMRA. Broadly, plagiarism is claiming or implying original authorship of material, or incorporating material from another's written or creative material, in whole or in part, into your own document without adequate acknowledgement and reference. Plagiarism differs from forgery, which deals with the authenticity of the writing or some specific object, as plagiarism focuses on the issue of false attribution. Plagiarism is stealing someone else's ideas and presenting them as your own. While patterning a general format is generally acceptable, copying narrative discussion without properly citing the source clearly constitutes plagiarism. If it is determined that an Applicant has plagiarized all or part of a demonstration report it will serve as grounds for rejecting the report and possibly the entire application, at the discretion of the Consulting Education and Accreditation Committee of the ASFMRA. Such violation may also be reported to the Ethics Committee for further investigation if warranted.

In addition, all applicants should understand the policy regarding the comprehensive exam as summarized below.

In the event that the comprehensive exam is not passed on the first attempt, the examinee will be allowed one opportunity to retake the exam, under the direction of the Consulting Education Committee. If a third attempt is required, it will need to be approved by the Consulting Education Committee Chair.
