Technology Summit 2021

A Virtual Education Offering

August 5, 2021 • 8:00 am - 12:00 pm (PST)

Join the California Chapter, ASFMRA for this four-hour seminar focusing on technology. What is available in the marketplace to assist rural appraisers, farm managers and agricultural consultants in their day-to-day jobs? Attendees will hear first-hand from industry professionals about a number of innovative technologies that are being utilized in the field today.

- Drone Use in Agriculture and Appraisal – Kody Kester / AgVisory, Inc.
- iPad and Tablet Use in the Office and the Field – Derek Brown / American AgCredit
- Google Earth Applications for Rural Appraisal – Kary Teagle, ARA / Yosemite Farm Credit
- Financial Modeling Tools for Farm Managers – Jack Makowski / Conservis
- Using Realist from CoreLogic in Rural Property Valuation – Todd Combs, ARA / American AgCredit

As this seminar will be held using the Zoom Meetings platform, it will be interactive with the opportunity for questions, discussion and the sharing of information.
