Financial Modeling for Agricultural Investments II Seminar

9:00 am–5:00 pm

(8 Hours CE pending with ASFMRA and BREA)

This course is an addition to the Financial Modeling of Agricultural Investments course offered in October 2025. It has been expanded to include an appraisal component and will present an opportunity to complete in-depth examples of cash flow modeling using different return measures. Attendees will come away with a detailed practice creating cash flow models measuring Net Present Value, Internal Rate of Return and other return measurements, as well as an understanding of how financial model information is used by appraisers in determining a property's market value. Attendees should bring their laptop with access to Microsoft Excel or a similar spreadsheet application. Throughout the seminar attendees will have the opportunity to ask questions and deepen their understanding of financial modeling.

Presenters: Scott Bozzo, AFM; Jeff Hillberg, AFM; Ben Jertberg, AFM; Vincent Sorena; JoAnn Wall, ARA

Registration Fees: \$275 Members / \$350 Non-Members

California Land Conservation Appraisal Seminar / 8:00 am – 5:00 pm

(8 Hours CE approved with ASFMRA and BREA)

Conservation land and easement appraisal assignments present significant opportunities and responsibilities for California appraisers. However, relatively few professionals actively pursue these important assignments. This one-day seminar features two of the most experienced conservation appraisers in California. The class is designed for appraisers who wish to deepen their knowledge and broaden their competency, as well as seasoned conservation appraisers interested in sharing and refining their expertise. Land trust staff and public agency appraisal reviewers are also encouraged to attend and contribute their valuable perspectives.

Instructors: Todd Murphy, ARA, MAI; Tony Toso, ARA

Registration Fees:

\$275 Members / \$350 Non-Members

Course registration fees include lunch; refreshments; and completion certificate.

**Welcome Reception & Young Professionals Network Event
5:30 – 7:30 pm**

Join your peers for the conference Welcome Reception! A great opportunity to meet up with old friends and make new ones... College students majoring in the various agriculture and real estate fields are invited to meet with members of the California Chapter, ASFMRA to learn about careers in rural appraisal, farm management and agricultural consulting. The registration fee included a complimentary beverage ticket and hors d'oeuvres.

Registration Fee: \$45 per person

Wednesday, March 25

2026 Spring Ag Tour

7:30 am – 4:30 pm

(8 Hours pending with ASFMRA and BREA)

The Spring Ag Tour will depart from the DoubleTree Hotel via charter bus. Seating is limited on the Ag Tour and early registration is encouraged.

Stop #1 - Oakdale Irrigation District

Oakdale Irrigation District (OID) was formed on November 1, 1909 as an irrigation district of the State of California for the purpose of delivering irrigation water to the agricultural lands within its boundaries. This in-depth tour will start at the OID offices and provide an overview of the district's 10-Year out-of-district Program, GSP implementation status, and the Paulsell Expansion Projects. A tour of the OID Paulsell Project will be included weather permitting.

Stop #2 - Duarte Nursery

Join John Duarte and Duarte Nursery at two game-changing field trials with the self-fertile almond varieties and high-vigor pistachio rootstocks that have revolutionized plant genetics. Don't miss this opportunity to see the Yorizane almond variety and the VigorClone pistachio rootstocks and get the full picture on the orchard genetics driving significant yield increases and maximized investor returns. The visit will include a data-driven presentation, discussion of industry factors and farming systems, and a walk through both trials to see the results of high-quality genetic selections. The tour will continue at the nursery itself with lunch and an opportunity to see this part of the Duarte operation.

Travaille & Phippen, Inc.

Travaille and Phippen (TAP) is a 4th generation family business; growers, packers and shippers of California almonds while also providing hulling and shelling services. The company exports around 85% of its handle to international markets where the brand is sought after for its quality in places such as Dubai, and Japan. Join Nick Gatzman, Junior Partner and Farm Manager, for a tour of the TAP operation that will explore the ins and outs of

processing and handling approximately 50 million pounds per year, and hulling and shelling 35-40 million pounds. In addition to the processing aspect, Nick will discuss the aspects of farming approximately 3,000 acres amongst its 4 partners while also bringing in almonds from other growers within a 75-mile radius of the facility.

Registration Fees:

\$275 Members / \$350 Non-Members

Tour registration fee includes continental breakfast; bus transportation; lunch; tours; and completion certificate.
