WHAT: The “1929 Club” is a new club established by the Education Foundation Legacy Funding Committee to sustain the future of the ASFMRA’s best-in-class education and seminars. The name was chosen to represent the Society’s founding year.

WHY: The club will help offset the increased costs of providing top-tier education to our members while keeping registration costs down. Your annual donation will help with the critical, yet unseen expenses that are not fully covered by course registrations, including course development, instructor training and state approvals.

WHO: The club is open to all members to join. Your membership tier is determined by your annual contribution, which you can change year to year.

WHEN: Donate anytime — However, we encourage early donations within the fiscal year (starting October 1) to maximize your recognition and impact.

HOW: Contributing is simple. Fill out the attached form and return it with your check, or make an immediate impact by donating online at asfmra.org/education-foundation.
