United States Army
Financial Management Command (USAFMCOM)

BPS Program Overview

30 May 2019
The Scope for Standardization

Mission
To improve and optimize Army standardized processes, both classified and unclassified, that pertain to finance policies, systems, and reporting requirements; provide end-to-end field implementation support for processes, and deliver campaigns that improve readiness and establish a culture of audit success.

Scope
Seven end-to-end (E2E) business processes, across the Army General and Working Capital Funds, which trigger a financial event impacting the general ledger and financial statements.

Objective
Provide Army organizations with policy, guidance and support to execute repeatable, auditable and standard business processes.
