APPPG Membership Committee Charter

Committee Purpose

The mission of the APPPG Membership Committee is to actively promote and recruit new members in order to achieve national participation, at the same time encouraging the participation of APP Members in ASRM committees and activities. This mission includes working together with other professional and special interest groups to create interdisciplinary programs to increase the engagement of APPs.

Committee Structure

The Membership Committee is comprised of a Chair and 2-4 appointed members. The appointment terms of the chair and all committee members shall be one year.

Committee members are selected based on their demonstrated interest.

Committee Functions

- Encourage engagement and membership through the APPPG website, discussion board, social media platforms, APPPG Website Blogs, and other modes of communication
- Plan member engagement at ASRM Scientific Congress
- Keep the APPPG Board updated regarding progress member participation and engagement
- Provides semiannual progress reports to the APPPG Board

Meeting Cadence

The APPPG Membership Committee meets every quarter and may meet more frequently as necessary. The meetings will be virtual and/or in-person format.

Committee Reporting

The Committee report is disseminated to the APPPG Board each Spring during the Board of Directors meeting.
