# Changing Your Contact Information

To change the auto-generated contact information in your
ASTC Community profile, follow these steps…

**Step 1:** Go to members.astc.org and log in with the same username and password you use for community.astc.org.

**Step 2:** Click My Account in the top navigation bar.

About Us | My Account

**Step 3:** Click the pencil icon in the upper right corner of each box to edit the information.

> Personal Information
**Step 4:** Once you've saved your information, click Community in the top navigation bar to return to community.astc.org.

About Us | My Account | Directory | Events | Resource Center | Member Affinity Program | Community

**Step 5:** Click My Profile in the top navigation bar, then click Refresh Member Data on your profile page. (You can skip this step if you'd like. Your information will update automatically with the next site refresh.)
