

Posting to a Discussion

From the home page of the community to which you like to post your message, click the Discussions tab.

The screenshot shows the 'Test Community' page. At the top, there's a search bar with the text 'Term / Keyword / Phrase' and a green 'Search' button. Below the search bar, it says 'last person joined: 24 days ago' and 'For Testing'. A navigation bar contains several tabs: 'Community Home', 'Discussions 37', 'Resources 6', 'Blogs 0', 'Events 0', and 'Members 7'. A black arrow points to the 'Discussions' tab. Below the navigation bar, it says 'This community is open to Invitation Only' with a link to 'Leave Community'. On the right, there's a red header for 'Upcoming Events' with the text 'No data found'. On the left, there's a red header for 'Latest Discussion Postings'. Below this header, there are two discussion posts. The first post is titled 'Upcoming workshop- Science Centers and Education...' by 'Wendy Hancock' 8 days ago, posted in 'Test'. The second post is titled 'test copy/paste from html blast' by 'Mary Mathias' 9 days ago, also posted in 'Test'. The posts are separated by a dotted line.

Make sure the community to which you want to post is selected from the drop down menu next to To. You have the option of cross posting the same message in one additional community, which can be selected from the drop down menu next to Cross Post To.

Type your message above the auto-generated signature (see the next page for info on changing this signature). You can format your message using the options at the top of the text box.

When you're ready to post your message, click Send beneath the text box.
