

### **Stem Cells in Urologic Organs and Therapeutic Opportunities**

- 1:00 - 1:10 p.m. Welcome and Introduction  
Donald Vander Griend, PhD - University of Chicago  
Susan Kasper, PhD - University of Cincinnati
- 1:10 - 1:35 p.m. Penile Stem-Progenitor Cells: Efficacy for Erectile Dysfunction Therapy  
Tom Lue, MD - University of California at San Francisco
- 1:35 - 2:00 p.m. Induction of Human Embryonic and Induced Pluripotent Stem Cells into Urothelium  
Eric Kurzrock, MD - University of California at Sacramento
- 2:00 - 2:25 p.m. Mesenchymal Stem Cells as a Vector for the Inflammatory Prostate Microenvironment  
John Isaacs, PhD - Johns Hopkins University
- 2:25 - 2:50 p.m. Prostate Epithelial Lineage Hierarchy  
Li Xin, PhD - Baylor College of Medicine
- 2:50 - 3:15 p.m. Control of Human Prostate Cancer Stem Cell Proliferation and Differentiation  
Susan Kasper, PhD - University of Cincinnati
- 3:15 - 3:30 p.m. Open Discussion and Concluding Remarks

### **AUA Accreditation Information**

**Accreditation:** The American Urological Association (AUA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation:** The American Urological Association designates this activity for a maximum of **2.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SAVE THE DATE
