AUGS Pavilion – Your Hub for Innovation, Education and Connection

**AUGS Connect** – A unique opportunity to network and discuss career-related topics, as well as seek guidance on that challenging case. Faculty will be available to discuss answer your questions.

**Industry Connection** – A new approach to the traditional exhibit booth – the Industry Connection provides access to representatives from various companies in a relaxed lounge setting.

**Refreshments** – All meals and refreshments will be available in the Pavilion.

**Meet Your Target Audience** – Urogynecology for the APP 2020 is expected to draw over 200 advance practice providers working in the Urogyn setting. This meeting has been developed specifically for the APP currently working in a urogynecology-focused practice. It is designed to provide attendees with basic principles and advanced techniques. There is currently no other meeting like this in the US.
