Certification Year Recommendation

Which year do you recommend the program stand for certification?

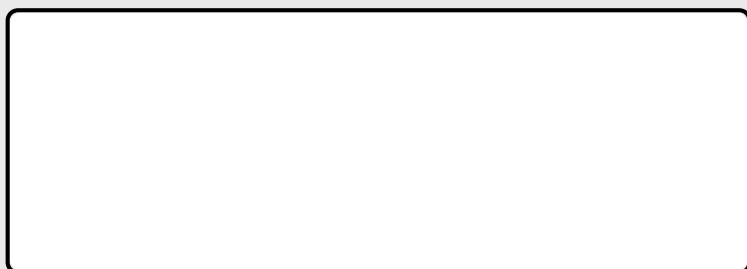

- Cycle 2027-2028
- Cycle 2028-2029
- Cycle 2029-2030

Eligibility Criteria

Provide a summary of the information the program shared regarding this set of criteria.

A large, empty rectangular box with a black border, intended for a summary of the program's information regarding the criteria.

Within these criteria, what is the program doing well? What are the strengths of this program in relation to this category of criteria?

A large, empty rectangular box with a black border, intended for describing the program's strengths within the criteria.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

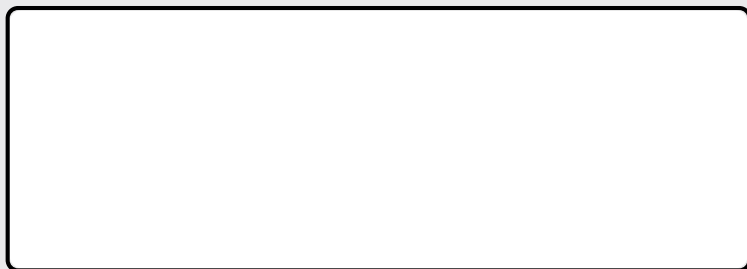

A large, empty rectangular box with a black border, intended for discussing major areas of concern or issues the program may face.

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

A large, empty rectangular box with a black border, intended for providing specific recommendations for the program's self-study responses.

A large, empty rectangular box with a black border, intended for describing the program's strengths within the specified criteria.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

Student Support Systems Criteria

Provide a summary of the information the program shared regarding this set of criteria.

Within these criteria, what is the program doing well? What are the strengths of this program in relation to this category of criteria?

A large, empty rectangular box with a black border, intended for the respondent to write the strengths of the program.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

A large, empty rectangular box with a black border, intended for the respondent to write any major areas of concern.

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

A large, empty rectangular box with a black border, intended for the respondent to write specific recommendations for the program.

Professional and Alumni Linkages Criteria

Provide a summary of the information the program shared regarding this set of criteria.

A large, empty rectangular box with a black border, intended for a summary of the program's information regarding the criteria.

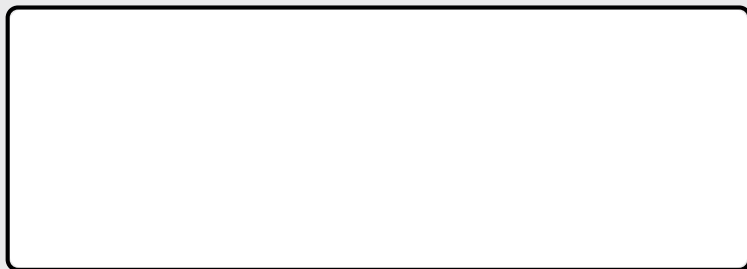

Within these criteria, what is the program doing well? What are the strengths of this program in relation to this category of criteria?

A large, empty rectangular box with a black border, intended for describing the program's strengths within the criteria.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

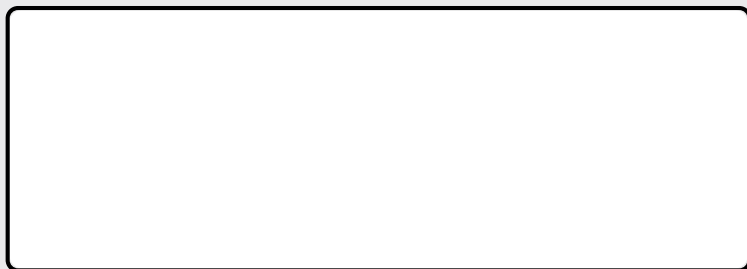

A large, empty rectangular box with a black border, intended for discussing major areas of concern or issues the program may face.

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

A large, empty rectangular box with a black border, intended for providing specific recommendations for the program's self-study responses.

Curriculum and Teaching Criteria

Provide a summary of the information the program shared regarding this set of criteria.

A large, empty rectangular box with a black border, intended for providing a summary of the information shared by the program regarding the criteria.

Within these criteria, what is the program doing well? What are the strengths of this program in relation to this category of criteria?

A large, empty rectangular box with a black border, intended for describing the program's strengths within the specified criteria.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

Experiential and Applied Learning Criteria

Provide a summary of the information the program shared regarding this set of criteria.

Within these criteria, what is the program doing well? What are the strengths of this program in relation to this category of criteria?

A large, empty rectangular box with a black border, intended for the user to write the strengths of the program.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

A large, empty rectangular box with a black border, intended for the user to write any major areas of concern.

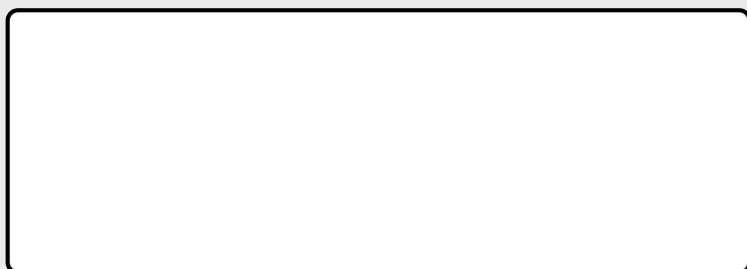

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

A large, empty rectangular box with a black border, intended for the user to write specific recommendations for the program.

Provide a summary of the information the program shared regarding this set of criteria.

A large, empty rectangular box with a black border, intended for a summary of the program's information regarding the criteria.

Within these criteria, what is the program doing well? What are the strengths of this program in relation to this category of criteria?

A large, empty rectangular box with a black border, intended for describing the program's strengths within the criteria.

Within these criteria, were there any major areas of concern that arose in your discussions with the program? In other words, were there any major issues the program may face in meeting the criteria within this section?

A large, empty rectangular box with a black border, intended for identifying major areas of concern or issues the program may face.

Do you have any specific recommendations for the program as they consider preparing their self-study responses for this set of criteria?

Thank You!
