**COURTNEY N. HAUN, PhD, MPH, NAMED 2022 RECIPIENT OF
THE GLANDON FAMILY SCHOLARSHIP FOR ADVANCEMENT
OF
HEALTHCARE MANAGEMENT EDUCATION**

WASHINGTON, D.C., April 25, 2022 – Courtney N. Haun, PhD, MPH, Assistant Professor, Department of Healthcare Administration and Informatics, Samford University, Birmingham, Alabama, has been named the third recipient of the Glandon Family Scholarship for Advancement of Healthcare Management Education. Dr. Haun will be formally recognized at AUPHA’s Annual Awards Presentation held on June 9, 2022, in Salt Lake City, Utah.

The Scholarship was established in the fall of 2019 to create an endowment for a faculty scholarship at an AUPHA member program, with the intent of creating a durable legacy in support of quality healthcare management education. The scholarship is aimed at future educational leaders by giving them recognition and financial support at an early stage of their academic career. The Scholarship is named after former AUPHA President and CEO, Gerald L. Glandon, PhD.

“Dr. Courtney Haun is incredibly deserving of this recognition. She submitted an important and interesting proposal for use of the financial resources provided by the Glandon Family Scholarship,” said Dan Gentry, PhD, MHA, President and CEO of AUPHA. “The materials submitted in support of her application were filled with accolades for her work as an educator, scholar, and academic leader – from her chair, faculty colleagues, and students.”

"The collaborative effort in building our future healthcare leaders is something I take great pride in, and I am honored to receive this recognition," said Dr. Haun. "I extend a sincere thank you to the Glandon family, AUPHA, and my professional community. I look forward to continuing to progress the field alongside each of you!"
