The Bugbee-Falk Book Award was established in honor of the extraordinary contributions of Mr. George Bugbee and Dr. Isidore S. Falk to the development of health services administration education. The award consists of a number of books from the field of health administration and general management donated to students at member programs. The books serve as a symbol of the selected students’ academic success, the need for continued learning, and their commitment to excellence.

Congratulations to these students at AUPHA member programs who received the 2022 Bugbee-Falk Books:
