Get to know Rush.

Located in Chicago, Rush University is one of the nation’s leading academic health centers for research and health profession education. Its supportive learning environment, leadership and research opportunities, and focus on community service help create an atmosphere of innovation and inspiration.

The College of Health Sciences (CHS) at Rush University is responsible for education and research in the allied health professions, including health care management. We seek to prepare superb allied health practitioners, leaders and managers. In addition to providing outstanding educational programs, the college makes meaningful and significant contributions to advancing health care through research scholarship, service and practice.

ACCREDITATION: The Health Systems Management program at Rush University has been accredited by the Commission on Accreditation of Healthcare Management Education (CAHME) since 1981. Commission on Accreditation of Healthcare Management Education: 1700 Rockville Pike Suite 400, Rockville, MD 20852 Phone: 301.998.6101.

Equal Opportunity, diversity and affirmative action statement

Discrimination or harassment against any member of the Rush community (i.e., employee, faculty, house staff, student, or patient) because of race, color, gender, gender identity, sexual orientation, veteran’s status, religion, national origin, ancestry, age, marital or parental status, disability as defined by Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, or any other category protected by federal or state law is prohibited and will not be tolerated, nor will any person for those reasons be excluded from the participation in or denied the benefits of any program or activity within Rush University Medical Center or Rush University. The single point of contact within Rush to oversee the implementation of this policy may be contacted at (312) 942-5916.

Rush is a not-for-profit health care, education and research enterprise comprising Rush University Medical Center, Rush University, Rush Oak Park Hospital and Rush Health.

Excellence is just the beginning.
CAREER OUTLOOK

- Rush HSM graduates have an excellent employment rate; typically 90 percent are employed within 3 months of completing the program.
- Graduates are very successful at finding the jobs they want, in the Chicago area and across the country, with the aid of our extensive faculty and alumni network.
- In recent years, about one half of the program’s graduates have accepted positions in hospitals and health systems, about one third in consulting organizations and the remainder in other sectors of health care.
- Employment of medical and health services managers is expected to grow 20 percent through 2026, according to the U.S. Department of Labor.
