GENDER

Forty years since the uw master of health services administration program was founded, we continue to uphold our strong vision of excellence. We prepare innovative and effective health care system managers who can envision possibilities and execute change with well-integrated transformational leadership competencies and skills.

TEAM-BASED LEARNING

Best practice health care is an integrated team process. Our team-based learning model, especially emphasized in year one, helps students obtain the most realistic and applicable training possible.

IDEAL APPLICANT PROFILE

We seek quality and excellence in academic background, intellectual capacity and work experience. The program is designed for mid-career professionals with an average of 8–10 years of experience.

The program demands intellectual rigor, professionalism, an orientation toward leadership and action, and an ability to integrate paradigm, theory and evidence.

Designed for mid-career professionals with an average of 8–10 years of experience.

TUITION AND FINANCIAL AID

Cost per credit: **\$980***
Tuition and fees are assessed per credit.

*This estimate is based on 2019–2020 rates and does not factor in other required fees, textbooks or any annual fee increases.

The UW MHA program is administered in partnership with UW Professional & Continuing Education. Students are eligible for federal financial aid but not aid funded by state tuition revenue, for example UW and Washington state employee tuition exemptions. The EMHA program is a part-time program, and financial aid is disbursed accordingly.

Please direct any financial aid questions to osfa@uw.edu.
