

YOU ARE INVITED

WE ARE BGS

YOU ARE INVITED. WILL YOU JOIN BETA GAMMA SIGMA?

To help you answer that question, we've put together some information to show you the impact a [BGS membership](#) can have on your collegiate experience and your career.

Before we get started, there are two things you should know:

First, membership in Beta Gamma Sigma is highly exclusive. We recognize only the top students from the top 5% of business schools with programs accredited by the Association for the Advancement of College Schools of Business (AACSB). That means only a small fraction of the world's business students are eligible. (More information on accepting your membership can be found on page 15.)

Second, BGS membership is for life. Once you accept this invitation, you are a lifetime BGS member and you'll have access to all honor society benefits.

BGS members are known as the "best in business." That distinction doesn't stop at your induction, though. BGS provides its members with professional development, online and in-person networking, and thought leadership so they can continue being the "best in business" throughout their careers.

We look forward to having you join our growing list of notable BGS members. We are delighted to invite you to join, and we're looking forward to connecting with you for years to come. Congratulations!

WE ARE... HONORED

ACHS MEMBER

As a certified member of the Association of College Honor Societies (ACHS) and 501(c)(3) non-profit organization, Beta Gamma Sigma exhibits excellence in scholarship, service, programs and governance. The Society adheres to stringent criteria for membership and carries with it the prestige of ACHS certification.

VERY SELECTIVE

When it comes to inviting students to join, Beta Gamma Sigma only accepts the best of the best. BGS exclusively inducts the top students from schools accredited by The Association to Advance Collegiate Schools of Business (AACSB), which only distinguishes the top business schools in the world.

With each new member, BGS develops a greater presence in the academic and business communities. As such, we have a reputation to uphold: **yours**. So we concentrate on programs that will honor your achievement and help you advance in your career.

We have another reputation to uphold, and that is of the institution itself. Because of the high standards for which BGS has come to be known, only a select group is invited into membership each year.

Business leaders know this about Beta Gamma Sigma. That's why, when they receive a resume with the BGS key, they're more likely to give it first consideration. In that way, BGS is just as important to your employer as it is to you.

A LEGACY

Beta Gamma Sigma was established in 1913 and has grown and changed as the world has grown and changed. But its standards have remained rigorous. Business leaders recognize BGS membership as an enduring mark of excellence.

A 100+YEAR PARTNERSHIP

Beta Gamma Sigma operates exclusively in AACSB- accredited programs. AACSB is the premiere accrediting body for schools of business, founded in 1916—just three years after BGS.

WE ARE... TIME-TESTED & TIMELESS

WHY BGS MATTERED IN 1913

Before Beta Gamma Sigma, business programs were largely unsanctioned and there were few reliable markers to distinguish those business students who excelled in their studies. The founders of Beta Gamma changed that when they founded the first business honor society in 1913. The strict criteria for BGS membership came to serve as the foremost benchmark for quality business scholars and signified the highest honors possible within quality schools.

WHY BGS MATTERS NOW

More than a century after its inception, Beta Gamma Sigma provides its members lifelong value. From academic recognition to networking and career growth, BGS is with you every step of the way. Accept your invitation to get the journey started!
