BGS...

What can three little letters *really* stand for?

Intellect & Ambition

BGS members want more than just a line on a resume. Their academic achievements helped them get here, but they know they're just getting started. They want to bring out the potential in themselves and others. They want to be the "best in business". They want the BGS Edge.

Experience & Wisdom

BGS members thrive on diverse perspectives and a global point of view. With more than 830,000 lifetime members in more than 190 countries, Beta Gamma Sigma transcends languages, industries, regions, philosophies, and more. This means access to a vast, rich network almost unheard of for recent graduates.

Programs & Opportunities

For over a century, we have nurtured future leaders by providing programs and opportunities focused on the business challenges of the 21st century. Facing these challenges requires a bold mindset and thanks in part to BGS, our members rise to the occasion.

Energy & Fellowship

Beta Gamma Sigma is the edge you give yourself when you step into a network of driven professionals, with the purpose and passion to spark the future of business.

As you begin the transition in to your professional career, imagine the edge you'll gain from having access to a global network of BGS members from around the world. With ConnectBGS and access to other unique, member-only programs, BGS members are always a step ahead.

ConnectBGS

The exclusive Beta Gamma Sigma social network. Connect with and get to know your fellow members from around the world, share ideas, engage in discussions, and learn about all things business from the “best in business”.

The Global Leadership Summit

Beta Gamma Sigma's Global Leadership Summit will help students take their leadership skills to the next level with real-world insight, hands-on experiences, and networking with students and thought leaders from around the world.

Ethical Leadership Certification

Ethical dilemmas are much more common in the workplace than many people realize. BGS has partnered with The NASBA Center for the Public Trust to ensure our members have a solid foundation and feel prepared when these moments arise.

Virtual Fairs

Graduate schools and employers know the value of recruiting and hiring BGS members. Connect with them through a unique, virtual experience and explore the opportunities they offer including employment, internships, financial aid, scholarships and GRE & GMAT fee waivers.

Joining BGS is a recognition of your academic achievements, but that's just the start.*

Because once you graduate, a different education begins.

Learn more about what it means to be the "best in business" and the lifetime value a BGS membership can provide beyond your academic career, by visiting the BGS website and joining their vibrant social media communities.
