

BETA GAMMA SIGMA STUDENT OFFICER TRANSITIONING GUIDE

We are BGS! We are the “Best in Business”

Between increasing student awareness and engagement, improving alumni and collegiate interactions, encouraging earlier inductions and much more, the Society is looking toward the future and making real steps to make Beta Gamma Sigma a more proactive and engaging organization. These may be lofty goals, but with the continued support of lifetime members like you, there is little doubt that Beta Gamma Sigma can make its second century even better than the first.

THE TRANSITION

Too often, Student Officers dedicate themselves to successfully leading their chapters for an academic year and at the end of their terms, leave the positions without spending time to make sure the incoming Student Officers have the opportunity to be trained. When this happens, all the information regarding the previous year and the lessons learned are not passed on to the incoming Student Officers, thus slowing down their progress. Without taking the time to effectively transition incoming Student Officers, chapters lose the opportunity to continue the momentum gained in the previous year. Time that could be used moving the Society forward and accomplishing new goals is spent trying to catch up.

EFFECTIVE TRANSITIONING

This guide is designed to provide chapters with the tools to successfully transition outgoing and incoming Student Officers. The forms in this packet are meant to empower students to have intentional conversations with one another to minimize the effects of turnover within chapters, increase the Society's success and continue the momentum accomplished by chapters during the previous year.

The Student Officer Transitioning Guide is designed to be used in sections:

1. **Outgoing Student Officer**: Outgoing Student Officer Transition Worksheet, Outgoing Student Officer Evaluation
2. **Incoming Student Officer**: Incoming Student Officer Transition Worksheet, Personal Goal Setting for Your Position, Goal Setting – Further Considerations

MAINTAINING YOUR RECORDS

The most effective way to use this guide is in conjunction with a three ring binder. The binder will hold this guide, including the forms and worksheets found inside, along with any additional documents that you deem relevant such as the Student Chapter Officer Handbook, past flyers and contact information.

Student Officer Transition Meeting Outline

Before the newly elected/selected Student Officers of your chapter officially assume their responsibilities, it is best for the old and new Student Officers to get together for a transition meeting. Such a transition meeting provides continuity and continued growth for the Society while allowing the new Student Officers to learn from the experiences of the outgoing Student Officers. A casual, open atmosphere or zoom call should be encouraged so the chapter can benefit from an honest evaluation of the accomplishments and issues of the previous year. We recommend that the outgoing Student President leads the discussion during this meeting, with the Chapter Advisor being present to offer additional input. Please be sure to include all incoming and outgoing Student Officers in this discussion. The following outline can help make the transition meeting flow as smoothly as possible:

I. Welcome and Introductions
