ALUMNI NETWORK

Greetings from DeAmbra and Denise here at Global HQ!

2018 is wrapping up faster than our holiday gifts! But before the year comes to a close, there are a few things you need to know.

2018-2019 Alumni Chapter Handbook Updates

We've made some updates to the Alumni Chapter Handbook! Take a look at the most recent version to make sure your alumni chapter is working efficiently.

[Read the new handbook!](#)

There are two important changes **you need to know about:**

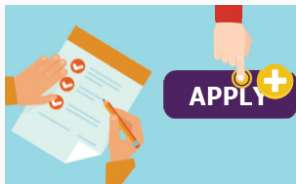

- Broadcast email messages: **Flip to page 26** to see the new timeline for broadcast message requests.
- GDPR compliance: **Make sure your fellow BGS alumni have opted in to receive BGS's broadcast messages!** For European chapters, this is especially important, since members with addresses in the EU have been automatically been opted out. To continue receiving BGS

emails, log in to betagammasigma.org and update your profile and email preferences

Quarterly Calls: December

Quarterly calls will resume in December. Please list your availability [HERE](#) or contact [DeAmbra](#) by **Friday, December 7**. We highly recommend that all Alumni Chapters and Networking Groups participate in quarterly calls, as we will be sharing important updates.

Alumni Chapter Training Seminars

BGS offers in-person Alumni Chapter Training Seminars every other year; the next in-person training will take place in 2019. We will discuss options for the dates and locations during our upcoming quarterly calls.

Alumni Chapter Grant Program

It is that time of year again! Alumni Chapters that qualify for this grant cycle will receive the grant application in December. If you have questions about your qualifications, please reach out to [DeAmbra](#).
