Greetings from Global Headquarters!

Alumni Network News

We have a few exciting announcements to share with you.

First off, we would like to share with you our latest transition here at Global HQ. **The Alumni Network will now be housed in the Programs department**, where **Denise Cage** is Associate Director of Programs and Alumni Engagement. **DeAmbra Crochrell**, **your new point person, will join Denise in Programs department.**

This restructure is **designed to ensure the long-term success of the Alumni Network** and ultimately grow the network as a whole.

This transition will not affect your ability to connect with collegiate chapters; we will still facilitate those connections. Christina Allrich, the chapter operations team and **the entire staff at Global HQ are still here to support you!** If you have any questions or concerns, please contact us at **Alumni@betagammasigma.org**.

And now, on to this year's

Alumni Chapter Awards!

Spain Alumni Chapter

OUTSTANDING ALUMNI CHAPTER ACTIVITY/PROGRAM AWARD

Congratulations to the Spain Alumni Chapter for this well-deserved award! The Spain Alumni Chapter held their event, “How to strengthen female leadership on LinkedIn,” at IE Business School on March 15, 2018.

The Spain Alumni Chapter collaborated with IE Global Alumni Relations, Mr. Borja Vara with LinkedIn Liberia, and the UCLA Anderson Alumni Network of Spain to make the event possible.

Isabel Cordova Samaniego and the Spain Alumni Chapter consistently create awareness for BGS in Spain, and they’ve built a bridge to connect BGS women with new professional opportunities. Thanks for all your hard work!

Sean Padfield

OUTSTANDING ALUMNI CHAPTER MEMBER AWARD

Congrats to Sean Padfield of the Germany Alumni Chapter! Sean (pictured above, far left) joined the Germany Alumni Chapter in January of this year and has been making huge accomplishments ever since. Sean consistently promotes BGS-Germany and offers different ideas and strategy for success of the chapter.

Germany Alumni Chapter President Daniel Zinner said, “Without Sean, that successful Germany BGS Alumni Chapter re-activation would have not happened. **Sean is a pillar to the organization**, a manager and mentor to his team and prospect team members and **a strong believer and communicator of the BGS values and spirit.”** Thank you, Sean, for all of your hard work!

The Board of Governors and staff of Beta Gamma Sigma would like to thank **all Alumni Chapters and Networking Groups** for your continued hard work and tenacity in providing local alumni members with outstanding programming. **It is because of your efforts** that Beta Gamma Sigma is able to offer a lifetime of value to BGS members.
