

CAI AFTER DARK  
*Make the most of your networking opportunities at the  
2019 CAI Annual Conference & Exposition*

Start making your plans to experience all the nightly entertainment presented at this year's conference. To help you get started, we've compiled a list of must-attend events and useful tips to help you navigate your stay.

A big perk of CAI's annual conference is that the majority of week's programs and festivities are located at the Rosen Shingle Creek Resort. Once you're here, you don't need to worry about getting around town.

We hope you arrive early to check in, stop by the registration table, and relax before the annual Welcome Reception begins. A short walk from the hotel's sleeping rooms, CAI hosts 2000+ participants on Wednesday, May 15, at the reception taking center stage in the sold-out Exhibit Hall. Back by popular demand, the Exhibit Hall location makes an excellent venue to gather with your colleagues, become reacquainted with old friends, and make a few new ones. Join us from 5-7 p.m. for live DJ music and MC, delicious hors d'oeuvres, cocktails, and the chance to connect with conference attendees, exhibitors, and speakers. Trust us, CAI's Welcome Reception is not your typical sleepy conference gathering. Whether you're a first-time or returning conference attendee, the Welcome Reception offers a fun, casual environment and an easy way to meet new people! Click to see the [Exhibit Hall floorplan](#), and start arranging your meetings today.

On Thursday, after a day of education and networking, don't call it quits just yet, especially if you're a community association manager. Join CAI as we host 600+ community managers from around the world at the Professional Community Association Managers (PCAM) Reception. The annual event recognizes the new PCAM designees and celebrates all 3,000+ PCAM recipients. The party is open to all PCAMs and community managers and will be held from 5:30-6:30 p.m. in Gatlin D Ballroom, featuring music, food stations, and cocktails. A special thanks to our sponsors, Kevin Davis Insurance Services and United Claims Specialists.

Following the Insurance Professionals ShopTalk, CAI hosts the annual Insurance Professionals Reception, just steps away in the Conway Ballroom. This exclusive event is open to insurance professionals only and is sponsored by Ian H. Graham Insurance. Always a popular gathering spot, the reception brings together more than 100 of the community associations industry's top insurance leaders. Connect with other insurance professionals, share insights, and discuss future trends at this informal happy hour from 5:30-6:30 p.m.

At the conclusion of the hotel receptions, the party goes off site. Join us for #TBT as CAI's Central Florida Chapter hosts a CAIddyshack-themed party at the Orlando Drive Shack. The interactive driving range serves as a throwback to Bushwood Country Club where players of every slice or fade can kick back and relax with conference attendees. Live music by the Marcus Gullen Band. Don't be a "gopher," here's your chance to "be the ball." Get your [ticket](#) today, before the event sells out! Party hours are from 6:30-10 p.m. and complimentary transportation from the hotel is included.

After an action-packed week, you might feel like ordering room service, but that would be a big mistake! The annual Friday night awards dinner has a totally new vibe in 2019. Introducing the CAI Backyard Bash and Annual Awards, a party where you are encouraged to bring your dancing shoes, wear your festive party attire, and plan to stay all night. We've designed a

community backyard, featuring a live DJ, delicious food, cocktails, glow-in-the-dark cornhole and other backyard games, photo booth, and good neighborhood fun. This is your one last chance to network with your community association peers in a fun, relaxed atmosphere while sipping cocktails and dancing the night away. We're confident that this is the party everyone will be talking about on Saturday!
