**CCIM North Texas Chapter Membership & Preferred Partners Directory**
President’s Forward:

Congratulations 2019 NTCCIM Members and Partners!

The mission of the North Texas CCIM Chapter is to elevate our members to the highest levels of success in the commercial real estate profession. The CCIM Institute has over 50 chapters in over 30 countries around the globe. Your membership and partnership with the North Texas CCIM Chapter makes us one of the strongest chapters in the world! With over 600 professional members and over 23 highest quality partners, you are part of an exclusive network of the “best of the best” in commercial real estate right here in North Texas.

2019 has been another exciting year to be in the commercial real estate business in North Texas! It’s also been an exciting year to be a NTCCIM chapter member and partner! With such a quality and diverse membership base, we started two new committees this year: international and philanthropy. Claiming to be the best requires an understanding of the global village in which we live and a recognition of the opportunities that lie ahead. The international committee will provide our members and partners international exposure, educational programs and networking events focused on international opportunities in commercial real estate. With DFW International Airport serving 67 international destinations and CCIM chapters in over 30 countries, the opportunities are bound to come. Living and working in such a dynamic metropolitan area also gives us the opportunity to give back to our community. The philanthropy committee is focused on providing our members and partners with opportunities to support local non-profits and family shelters. It’s been such an honor to volunteer alongside fellow NTCCIMs!

The NTCCIM Chapter hosted our first Intro to Development course this year. The class was such a success, our education committee is working with the Institute to create a classroom-based version of additional development courses in the Development Specialty Track. Stay tuned for an announcement in 2020! In addition, the chapter hosted over 20 quality events including 10 instructor lead educational courses, 7 speaker series luncheons, networking events and happy hours.

Our sporting clays committee hit it out of the park this year with our 25th Anniversary NTCCIM Sporting Clays Tournament raising over $25,000.00 for educational programing and scholarships for aspiring CCIM designees. We awarded 11 scholarships from the proceeds of last year’s tournament plus the Jay Lucas Endowment Scholarship and the Mac McClure Endowment Scholarship for a total of 13 scholarships awarded in 2019! One of my biggest highlights of the year was assisting the designation promotion committee with the pinning of 11 new designees in San Antonio and 15 new designees in San Diego, welcoming 26 new CCIMs right here in North Texas!

None of this would be possible without the support of you, our members and partners.

Please join us as we complete 2019 with the Commercial RE-Tooled course offered by Todd Kuhlmann on December 4th and 5th, our partner appreciation and holiday happy hour on December 5th and our Family Gateway community service project on December 10th.

On behalf of the 2019 NTCCIM Board of Directors, Leadership Team and Chapter Administration, THANK YOU. Your membership and partnership help us live out our mission statement and maintain a strong chapter that strives to serve its members, partners and our community.

Cheers,

Collin Flynn, CCIM
