Broker: Current licensed broker. This is an individual membership.

Membership Benefits

The CCIM designation is stronger than ever. Oregon SW Washington CCIM Chapter is stronger than ever, too. Offering one of the most dynamic programs in the nation, our chapter leaderships' innovation and dedication are demonstrated through the chapter's rapidly growing membership. You'll find membership in our chapter worth every penny and membership benefits *increase* if you opt to become a CCIM candidate or a CCIM designate. Contact a chapter leader to learn more about the CCIM designation process. Below is a list of the many benefits derived from membership in the Oregon SW Washington CCIM Chapter:

- **Monthly luncheon programs** - Held at the Multnomah Athletic Club on the first Wednesday of the month (or virtually) with knowledgeable guest speakers covering current and local issues of professional interest. In person lunch meetings are \$40 for members, \$50 for guests. No cost for virtual meetings.
- **Continuing education credit hours** - Most luncheon programs qualify for CE credit and are *relevant* to your commercial practice.
- **Network Marketing sessions** - Fast-paced & jam-packed with deals!! Highly attended marketing sessions offer valuable opportunities to network your haves and wants and discover others' availabilities. Plus there is always something to learn from other's experiences. These marketing sessions are the same day as the luncheon (when held in person) at the Multnomah Athletic Club. When held virtually, they are on the first Wednesday of the month from 10:30 – noon.
- **Marketing Session for Outlying Areas** – Virtual marketing sessions focused on Outlying Markets a minimum of once in 2020 and two times in 2021.
- **Website & Chapter Roster** - Free members-only publicity. Your contact information is posted to the Chapter Website at www.oregonccim.com. You also receive, via email, a printed roster of all members and affiliates.
- **Network with Colleagues** - Broker familiarity increases deal making and helps transactions close. Get to know the person behind the name. Participate in group problem solving and transaction setting.
- **Educational Opportunities** - Our Chapter regularly hosts CCIM approved courses to support our member's professional development. CCIM Institute is the recognized international leader in educational programs for Commercial Real Estate professionals. Visit the website for a current list of courses.
- **Joint Golf Tournament with CREW** – Held in August at Langdon Farms, this industry supported tournament is a great networking opportunity as well as a fun day and sold out this year!

All of this and more when you join our Chapter! There is no other place you can receive this valuable mix of benefits. Complete the application form on the back and submit it today!

Come for the Knowledge....Stay for the Business
