

## LEconnect Home Screen

➔ From the home screen you can see that you are logged in, a link to the main A4LE website, and the various tabs for navigating through LEconnect.

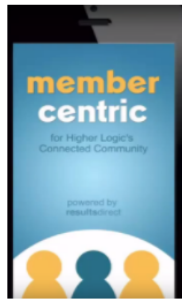

The screenshot shows the LEconnect website interface. At the top is the LEconnect logo and tagline. Below is a navigation bar with tabs: Home, Communities, Open Forum, Directory, Events, Browse, Post & Participate, and Using LEconnect. A search bar is on the right. The main content area features a large banner for the '2016 James D. MacConnell Winner' award, a 'LearningSCAPES 2017' announcement, and three columns of content: 'LEconnect On the Go...' with a mobile app icon, 'Latest Discussions' with a thread about a spreadsheet, and 'Recent Blogs' with an article about developing countries.

➔ Further down the page there is information on taking LEconnect on the go with the mobile LEconnect app, Latest Discussions, Blogs, Shared Files and Announcements
