

## **CHEREE DYERS**

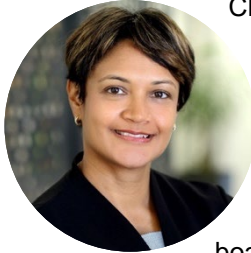

**Chief Executive Officer, Prescient Investment Management**

### **Qualifications:**

*INSEAD alumnus, Advanced Management Programme*

*UCT alumnus, Bachelor of Business Science (Honours) (Marketing); B.Com post-graduate diploma in accounting.*

*Qualified Chartered Accountant, CFA charter holder and member of the SA Institute of Stockbrokers.*

Cheree is a financial expert with 20+ years of experience and is driven by innovation and fostering positive change within the broader financial services industry.

Cheree started her Prescient journey in 2005 as a newly qualified chartered accountant and has held several key positions within the organisation. In 2018, she assumed the role of CEO at Prescient Investment Management, where she steers the company towards becoming South Africa's leading systematic investment manager that relies on data-driven investment processes to provide clients with certainty in an uncertain world. She has also been on the board of Prescient Foundation NPO since 2018 where she contributes to the corporate social investment initiatives of the Group.

Beyond her role at Prescient, Cheree is a member of the Investments Board Committee of ASISA. Additionally, she serves as the Chairperson of the Gen Re Board of Directors, a subsidiary of Berkshire Hathaway. She is also a board member of PBT Limited.

Cheree's expertise spans a number of topics, including the future of investing. She enjoys sharing insights on diversity and inclusion, corporate culture, women in leadership, and sustainable investing.

### **Expert Topics:**
