

## BCA Research

### **Juan Correa**

**Chief Strategist**  
**Global Asset Allocation**

Juan serves as Chief Strategist for Global Asset Allocation, our portfolio construction service that provides guidance to Chief Investment Officers (CIOs) and asset allocation teams on structuring optimal global multi-asset portfolios.

Juan began his career at BCA Research in 2015 as a Research Associate within the Emerging Markets Strategy team. He progressed through roles as a Research Analyst, working closely with our Foreign Exchange Senior Analyst and Global Asset Allocation Senior Analyst, before assuming the title of Associate Strategist in 2021. He has also been a guest lecturer at both McGill and Concordia Universities.

Juan holds a BCom in Finance and Economics from McGill University, as well as the CFA designation.
