

Patrick is a Portfolio Manager and is an Executive Director of the firm and has been with Perpetua since 2014. Patrick is one of Perpetua's equity and multi-asset class portfolio managers and is also responsible for the portfolio risk management of all portfolios, serving as Chair of the Portfolio Risk Committee.

Patrick has over 29 years in the financial services industry and joined Perpetua from Vunani Fund Managers where he was a Portfolio Manager and Head of Equity Research. Prior to that he was founding member at Mtungwa investment holdings and before that an analyst and portfolio manager at Old Mutual Asset Managers over 8 years. Patrick started out his career at Syfrets Managed Assets, where he started out as an investment analyst and then became a portfolio manager. Patrick holds BCom (Hons) and has completed the Executive Development Programme (EDP) at Stellenbosch University.
