

Kanyane Matlou

BusSc (HONOURS IN ECONOMICS)

Deputy CIO, Senior Portfolio Manager Listed Property

Kanyane was recently appointed Deputy CIO at Terebinth Capital. He joined the company in 2022 and has key responsibilities in macroeconomic research as part of the Macro Unit. He is primarily responsible for listed property investments as Senior Portfolio Manager. He has well over a decade of industry experience, the bulk of which was gained as an investment analyst and later co-portfolio manager at Coronation Fund Managers. He previously worked as an economist at the South African Reserve Bank where he focused on model development and forecasting. Prior to that, he worked as a trainee economist at the Bureau for Economic Research (BER). Kanyane has 13 years' financial market experience.
