

Sandile Malinga joined M&G Investments in 2013 as a member of the fixed-income team and joined the multi-asset team in 2018, progressing to Co-Head of Multi-Asset in 2023 in a co-leadership role with Michael Moyle. In January 2024, he took on the role of Chief Investment Officer for Multi-Asset. In addition to being a member of the Executive Committee, Sandile is a member of the MandG Investments Southern Africa (Pty) Ltd. Board and the MandG Staff Investment Company (RF) (Pty) Ltd.

Sandile is also the joint-Portfolio Manager of M&G Balanced and Inflation Plus Funds, and he is involved in managing our range of global funds. His role also involves providing analytical and economic support to our multi-asset and fixed-interest investment process. He is a member of the M&G Investments Asset Allocation Committee.

With 16 years' industry experience, Sandile previously worked for Investec Asset Management as a fixed interest dealer and analyst. He also served as Portfolio Manager on large institutional fixed interest client mandates with liability immunization objectives.

Sandile holds a BSc in Mathematical Statistics and Actuarial Science from the University of the Witwatersrand and is a Fellow of the Faculty and Institute of Actuaries.

BSc Mathematical Statistics and Actuarial Science (University of the Witwatersrand); Fellow of the Faculty and Institute of Actuaries.
