

Edith Ruvarashe Gwasira

Edith Gwasira, born in 1999, is an aspiring financial analyst who recently finished her final year exams in May at the National University of Science and Technology, where she is pursuing a Bachelor of Commerce Honours Degree in Finance. Originally from Harare, Zimbabwe, Edith Gwasira has always been interested in finance and investment, and she is delighted to start her career in this industry.

During her time at university, she completed her internship in the capital market industry at the Securities and Exchange Commission of Zimbabwe from 2021 to 2022, where she gained experience in financial analysis and surveillance of the market. She also served as the president of the finance club at her university called the NUST Investors Association, and was also on the finance committee for the student representative council.

In addition to her internship, Edith earned an award for the best presentation at the Securities and Exchange Commission of Zimbabwe internship innovation challenge and represented her country and school in reaching the Europe, Middle East, and Africa semi-finals for the CFA Research Challenge 2023.

Edith's professional goal is to become a financial analyst, where she can use her skills and expertise. Her mission statement is to provide clients with the highest level of financial analysis and advice based on a deep understanding of their individual needs and goals while considering ethical issues.

Overall, Edith is a driven and motivated individual who is passionate about the world of finance. She has gained valuable experience through her internship and is eager to apply her skills and knowledge to a career as a financial analyst.
