

DIRECTOR, SUPERVISION REGULATORY OVERSIGHT Credit Union Deposit Guarantee Corporation

Who are we?

Credit Union Deposit Guarantee Corporation (the Corporation) is the deposit guarantor and primary regulator for Saskatchewan credit unions and SaskCentral, together, Provincially Regulated Financial Institutions (PRFIs). We work closely with these institutions to ensure they employ sound business practices to enhance the strength and financial stability of the Saskatchewan credit union system.

We are seeking a confident, highly motivated professional to join our Supervision team. This team plays a vital role in fulfilling the Corporation's mandate of instilling confidence in the province's credit union system and is critical in assessing and mitigating risk in PRFIs.

What you'll do:

Reporting to the Associate Vice-President, Supervision, you will be responsible for managing the application of the supervisory framework which proactively identifies, assesses, and mitigates risk to depositor funds and the guarantee fund.

Key responsibilities include:

- Direct, oversee, and participate in the execution of on-going monitoring, review, and intervention processes for PRFIs, including analysis of financial performance and assessing the effectiveness of risk management activities
- Interpret the effectiveness of corporate governance and risk management practices through analysis of each PRFI's reporting and independent third-party sources of information (e.g., internal audit, external audit, FINTRAC)
- Assess regulatory approval requests to ensure compliance with legislative and regulatory requirements
- Lead and support the maintenance of components of the risk-based supervisory framework
- Lead relationship management with internal and external stakeholders, serving as a key liaison to executives and board of directors of PRFIs
- Provide operational leadership within the department to ensure corporate goals and objectives are achieved

The role requires a flexible work schedule and occasional travel, as the department collaborates with PRFIs throughout Saskatchewan.

What you'll need:

- Undergraduate degree in business administration, commerce, or economics; ideally supplemented with a graduate degree or professional designation (or an equivalent combination of education and experience)
- Five to ten years of experience in the financial services industry, regulatory environment, or a finance-related field
- Knowledge and experience in areas such as policy, governance, credit, financial analysis, risk management, and/or internal/external audit
- The ability to interpret and apply policy, legislation, and regulation are key requirements for this position
- Demonstrated ability in presenting information and facilitating discussions with key stakeholders, along with previous leadership experience, would be considered an asset
