

Investing Simulator Challenge 2026

Experience what it's like to trade in fast-moving markets, build practical investment skills, and gain valuable career insights - all while competing for the chance to win a CFA® Program scholarship.

CHALLENGE POWERED BY **AMPLIFYME**

Investing Simulator Challenge 2026

What?

Discover what trading and investment decision-making are really like in a two hour live simulation.

Build practical skills, apply your thinking to real market scenarios, and compete for a place in the global final in November.

The top performers from each session will move on to the global final in mid-November.

Who?

Full-time university students from any university globally.

When & where?

- Starts September to November
- We offer a variety of sessions, days and times - choose one
- Participate online, wherever you are

Why join?

- Gain hands-on, practical experience and discover your potential
- Co-branded certificate of completion
- Compete for a CFA® Program scholarship
- Add a stand out feature to your résumé

Join our CFA Institute Investment Career Accelerator Network (ICAN), a free career hub for students, and be the first to hear when registrations open.
