

Job Title: Multiple Positions (Interns, Analysts, and Senior Analysts)	
Work Location: Initially, remote-based but expected to transition to an office/hybrid (Lahore) working model in the near future.	
Division/Department: Corporate Finance & Investment	
Salary: PKR 40,000 to 150,000 (Depending upon the experience)	
☒ Full-time	☐ Part-time
Overview We are looking for ambitious and dynamic professionals eager to fast-track their financial and investment careers while gaining international exposure. This opportunity is perfect for individuals aiming to enhance their expertise in finance and investment consulting in a global setting. The salary package will be complemented by performance-based incentives and excellent career growth opportunities.	
Key Responsibilities • Building robust and integrated financial models by using Microsoft Excel • Carrying out business valuation, financial due diligence, and financial feasibility studies • Conducting secondary research on various sectors and asset classes across multiple geographies • Organizing and conducting interviews with industry experts to obtain market insights • Assessing the risks inherent to a particular opportunity/business case and giving the investment recommendations • Preparing/presenting various reports for/to the clients and senior management	
Experience, Education and Skill Requirements: • At least 1-3 years of relevant experience (except interns) • Graduate degree in Accounting and Finance or a related field • Preference will be given to the ACCA Finalists or the candidates who have passed the CFA Level 1 exam • Good verbal and written communication skills • MS Office proficiency (Excel, PowerPoint, and Word)
