

Equity Research Analyst

DJM SECURITIES PRIVATE LIMITED · Karāchi, Sindh, Pakistan (On-site)

About the job

Company Description

DJM Securities Private Limited was established to provide specialized financial services to both institutional and private sectors in local and international equity and future markets. As TREC Holders of Pakistan Stock Exchange Limited, DJM Securities offers pro-active advisory services through its experienced and qualified management team. The company is dedicated to educating and meeting the evolving needs of its clients, ensuring a personalized approach to financial advisory.

Role Description

This is a full-time, on-site role located in Karāchi for an Equity Research Analyst. The Equity Research Analyst will be responsible for conducting in-depth financial research, developing financial models, analyzing investment opportunities, and providing actionable insights and recommendations. Day-to-day tasks include monitoring market trends, preparing detailed reports, and collaborating with the finance team to support investment strategies.

Qualifications

- Strong Analytical Skills and Research capabilities
- Proficient in Financial Modeling and Finance
- Knowledge in Investments and financial markets
- Excellent written and verbal communication skills
- Ability to work independently and collaboratively in a team setting
- Bachelor's degree in Finance, Economics, or related field
- CFA certification or progress towards CFA designation is a plus
- Experience in equity research or a similar role is preferred
